Multi-purpose chair for public spaces

The ideal stacking chair for conferences or, equally, visitor or waiting areas. The inner and outer frames of the backrest, with integrated armrests, are in black or white fibreglass-reinforced nylon. The black or white polypropylene seat shell is upholstered using cold-foamed flexible polyurethane. Available on four-legged or cantilever chromed frames; on request, black. The swivel version on a white or black pyramidal polypropylene base and the gas version with a polished aluminum, black or white nylon base on wheels.
